

Media Stereotypes Collage

On television and in the movies, people are constantly stereotyped by their age, race, gender, culture, sexuality, and more. Consider these examples: the "dumb blonde", the "nerdy Asian", the "violent Middle Easterner", the "flamboyant gay," the "wise old man", the "helpless disabled person." The list goes on!

1. Choose a stereotype that you feel like you've seen a lot in the media:

2. List characters you have seen on TV or in movies that fit this stereotype. You can use Google to help you if you want:

- _____
- _____
- _____
- _____

3. Find 4-5 images online featuring these characters.

4. Save them into a folder on your desktop.

5. Compile these onto a Keynote slide as a "collage." See the back for an example.
